**Learning Objectives**

- After attending this activity, learners will understand the health officer's role in CalAIM and other statewide initiatives.
- After attending this activity, learners will take part in implementation of CalAIM and other state initiatives.
- After attending this activity, learners will collaborate with a network of leaders to share information/experience and be able to advance public health goals.

\* This activity has been planned and implemented in accordance with the accreditation requirements and policies of the California Medical Association (CMA) through the joint providership of the Health Officers Association of California (HOAC) and California Conference of Health Officers. The HOAC is accredited by the CMA to provide continuing medical education for physicians.

The Health Officers Association of California designates this for a maximum of 9.0 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
